## Rebecca,

I assume you are looking at next week. I am out of the office today and on furlough tomorrow.

I think a meeting would be a good idea and may be best after you had a chance to look at the information that they send you. Do you want to send an meeting invite?

Subject: FW: Dewey-Burdock draft report

Hi All,

I just received the Dewey-Burdock modeling protocol. If possible, I would like to get together with NEPA to de-brief from our meeting with NRC and IML last Friday. I think a discussion would help in how we should respond to this protocol.

Thanks, Rebecca 303-312-6867

Attached is the draft protocol and modeling results report. The final report will be issued after you have had a chance to review and comment on the draft. I will send the appendices as a separate PDF document later today.

Best regards,

Ronn
